TAKE HEART

In the stillness of our very being, we
are invited to discover that God has
been there waiting for us all the while.
In the quiet of that humble place, listen
for the Word of God that is for you!
The meaning and purpose of life, the
world, and our very selves is revealed
in a single, sacred, hope-filled word.
This Word is Christ, who is "the way,
and the truth, and the life".
